I know.

Looking at dates last week in April and then into May.

I bet that move will actually happen in November or December 2016.

So, which will come first- our move to the 17<sup>th</sup> floor or this meeting? It may be a close race.

I just talked to John Robinson and Judy Fassbender about the 19<sup>th</sup> and they think we should look for other dates. Apparently the Kozaks did indicate that they could attend a meeting during some of the other days suggested (dates that didn't work for the tribe). So, now I need to re-do a Doodle poll. John will send me some dates on Monday.

John,

I heard back from Dave Larsen that he and his supervisor can attend an April 19<sup>th</sup> meeting. Larry from the tribe has indicated that he can attend to. Judy could not attend this date and apparently the Kozaks have other commitments. Unless you believe we should continue to look for dates, I think we should start our meetings with the April 19<sup>th</sup> meeting. The place we had hoped would be available isn't so we are interested in your ideas of where else to go. I'll get started on setting up an agenda.

Please let me know if you have concerns or questions.

Thanks,

Sherry
